Maroon & White, a non-profit organization, supports and encourages Scarsdale High School students in their athletic endeavors by, among other things, recognizing them at awards dinners, sponsoring Raider Pride weekends, night football and the Holiday Basketball Tournament, and donating gifts to the high school physical education and athletic programs. Recent gifts include cheerleading and wrestling mats, pitching machine, hurdles, tred sled, high jump pit and treatment table. Our **main source of funding** is the monies raised through the publications of the **Sports Journal** distributed to athletes and their parents at least three times during the year.
